S.O.A.R. PAC SUPPORTER LEVELS

The Resort District represents 5% of the land in Anaheim but generates more than 50% of the city's tax revenues. The goal of S.O.A.R. PAC is to advance candidates and causes that further the Resort District's vitality. When appropriate, the S.O.A.R. PAC will make endorsements and contributions to Resort-friendly candidates and ballot measures.

Your contribution to S.O.A.R. PAC will help Resort-friendly candidates get elected, and also allow you to learn more about activities in the Resort District; network with business and community leaders; and even provide marketing opportunities for your company.
